

Husqvarna Automower® 415X

Husqvarna Automower® 415X is a robotic lawn mower with a range of smart functions and efficiently cuts complex lawns up to 1500 m². With the onboard GPS, the mower can create a virtual map of the lawn. This enables Automower® Zone Control, which you easily manage via your mobile phone to create work areas with different settings and temporary stay-out zones. Slopes with an incline of 40% are handled easily, and mowing becomes carefree through functions such as frost guard and weather timer that adjusts operation based on temperature and grass growth. As a member of the fully featured X-line range, 415X has Automower® Connect with GPS theft tracking and is equipped with LED headlights, front bumper, and special coloured wheel caps. The mower can also be integrated with your smart home so you can use voice control with Alexa or Google Home, or take advantage of IFTTT routines.

Specifications

Cutting System

Cutting system	3 pivoting razor blades
Cutting height max	50 mm
Cutting height min	20 mm
Cutting width	22 cm
Cutting height adjustment	Electric
Skid plate	Yes
Dual cutting direction	Yes

Capacity

Area capacity	1,500 m ²
Maximum slope performance at boundary	9 °
Maximum slope performance at boundary	15 %
Maximum slope performance inside installation	40 %
Max active time	24 h
Search system	Triplesearch
Follow guide	1
Charging system	Automatic

Product data

GTIN-13/EAN	7392930518445
Colour	Grey
Sound level perceived	62 dB(A)
Protection Index (IP Code)	IPX5
Battery capacity	2 Ah
Charging current	1.3 A
Typical mow time on one charge	50 min
Mean energy consumption per month at maximum use	10 kWh
Battery type	Li-Ion
Handle type	Integrated
Brand	Husqvarna

Control

User Interface	Keypad and display/App
Display	MonoChrome Graphical Display 2,8"
Schedule	Yes
Connectivity	Bluetooth®, Cellular
App controlled	Automower® Connect
Smart Home integration	Yes
Firmware Update	FOTA

Overall dimensions

Packaging height	340 mm
------------------	--------

Packaging length	800 mm
Packaging width	560 mm
Weight (complete product w/o side packed articles)	9.7 kg
Product size length	61 cm
Product size width	45 cm
Product size height	24 cm

Safety

GPS Theft tracking	Yes
PIN code	Yes
Alarm	Yes
Lift sensor	Yes
Tilt sensor	Yes

Equipment

Charging station	Yes
Extra blades	6 pcs
Wheel brushes	No
Power supply unit	Yes
Low voltage cable	10 m
Loop wire	0 m
Stakes	0 pcs
