

Illustrated Parts List - IPL Update

Product Name(s)

Tractor, Zero Turn

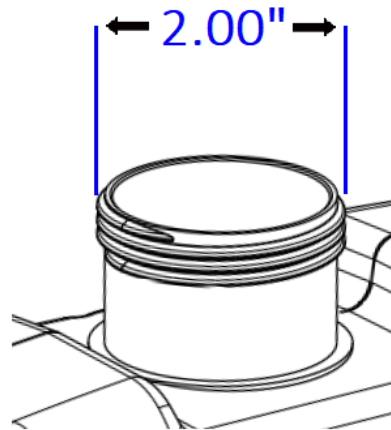

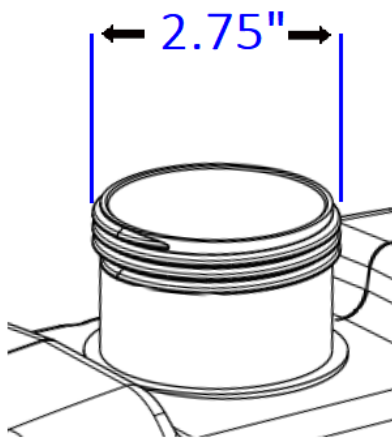

Description of change:

Husqvarna has recently began utilizing a redesigned filler neck on fuel tanks equipped to some Tractors with **rear tanks** and Zero Turns. Tractors with tanks mounted under the hood are not affected. Please refer to the table below on how to measure your filler neck to determine which part # you require.

Note:

If purchasing a complete new fuel tank with the smaller 2.00" wide filler neck, it will come with the appropriate fuel cap.

Measurements are approximate

Description	Fuel Cap Part #	
	2.75" Wide	2.00" Wide
Grey venting fuel cap (not for use in California)	585124801	529989702
Black venting fuel cap (not for use in California)	585124802	529989701
Non-venting Fuel cap (used in California)	599502201	529989703
